

LOSS PREVENTION PROGRAM

UP TO \$1000 ASSISTANCE

FOR CURRENT POLICYHOLDERS

Kent & Essex Mutual Insurance Company will pay 50% of expenses incurred by “you” (up to a maximum of \$1000) for the installation in your dwelling of an emergency backup system*†.

NOTE:

- This program does not reimburse for the costs associated with the replacement of the original sump pump.
- You must currently have the Water Protection Endorsement on your policy to qualify for this program.
- This program cannot be used in conjunction with the loss mitigation expense coverage available with the Water Protection Endorsement.

QUALIFYING BACKUP SYSTEMS

Must be Professionally Installed	Should be Professionally Installed
Permanently installed backup generator	Battery backup sump pump
Backwater valve	Water powered backup sump pump

Kent & Essex Mutual Insurance reserves the right to inspect installation of new systems.

HOW TO RECEIVE

- Make a copy of your receipt for the unit including installation
- Make a copy of the first page of your instruction manual
