

## 50% Rebate

We will pay 50% of the expenses (up to \$1,000) for the trimming or removal of trees/branches on an existing policyholder's property. The trees/branches must pose a risk of damaging an insured building or overhead power lines.

### WE'RE GIVING BACK TO NATURE

For every tree that is trimmed or removed through this program, Kent & Essex Mutual Insurance will donate to forest conservation organizations in Ontario.

### HOW TO QUALIFY

1. You must be an existing Kent & Essex Mutual Insurance policyholder.
2. You must contract a professional and insured Arborist.
3. The work must have been completed after September 1st, 2023.
4. Eligibility for this program is limited to once in any five year period.

This is intended to be a proactive program and cannot be used in conjunction with a weather-related, or other, claims situation.

The rebate can be applied to multiple locations owned by the same policyholder, up to a maximum of \$2,000.

### HOW TO APPLY

1. Submit before and after photos of the trees/branches that have been trimmed or removed.
2. Submit a copy of the paid invoice.
3. Include policyholder's name and policy number.
4. Submissions can also be made to:
  - Your Broker, or
  - Email to [losscontrol@kemutual.com](mailto:losscontrol@kemutual.com)
  - Scanning the QR Code & completing the application
